Our sailing area is the beautiful Whitsunday Islands

Located halfway between Cairns and Brisbane. The islands fall within the bounds of the Great Barrier Reef Marine park, a World Heritage area; there are more than 70 tropical islands in the group and most are uninhabited and unspoiled.

We cater for small groups so that we can give individual attention. It's a more intimate experience rather than being one of many passengers as is the case on the larger vessels.

visit whitehaven beach

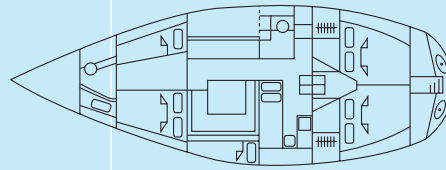

Help with the sailing of the vessel or just lay about and enjoy what The Whitsundays has to offer, which includes swimming, snorkelling, exploring the uninhabited islands, beachcombing, visiting some of the resorts and making new life long friends.

snorkelling

What to bring:

- Swimmers
- Sun screen 15+
- Hat
- Favourite music
- Camera
- Alcohol (no glass please)
- All in a small soft bag.
